

McCormick offers a wide variety of extracts, both pure and imitation, to enhance the flavor of your culinary creations. Here is a comprehensive list of the extracts they currently offer, based on the search results:

Pure Extracts:

- * Almond Extract
- * Anise Extract
- * Lemon Extract
- * Lime Extract
- * Mint Extract
- * Orange Extract
- * Peppermint Extract
- * Pumpkin Pie Spice Blend Extract
- * Vanilla Extract (including All Natural and Small Batch)

Imitation Extracts & Flavors:

- * Almond Extract
- * Banana Extract
- * Butter Extract
- * Cake Batter Flavor
- * Coconut Extract
- * Maple Extract
- * Raspberry Extract
- * Rum Extract
- * Strawberry Extract
- * Ube Flavor (Artificial)
- * Clear Vanilla Flavor
- * Premium Vanilla Flavor

Other Flavorings:

- * Vanilla Bean Paste
- * Whole Vanilla Beans

It's worth noting that availability may vary depending on the retailer and location. McCormick also offers variety packs and holiday-themed extract sets. Additionally, they have a "Culinary" line of extracts, often available in larger sizes for professional use. These may include both pure and imitation versions of flavors like almond, banana, coconut, lemon, lime, maple, orange, peppermint, vanilla, and anise.

For the most up-to-date and specific availability, you can check the McCormick website or your local grocery stores.
